ABOUT MASART

MASARAT... A Rich History, A Promising Future.

Originally founded in 2013 as MASARAT for transport, import, and export. The company has developed into the largest local and inter-national provider of refrigerated trucking, warehousing, commercial agency, import and export services in Egypt.

Today, MASARAT has a fleet of several refrigerated trucks, a team of skilled managers and administrative staff, and serves a variety of companies with organizations across the Middle East, and Europe.

We continue to adhere to our core principles in all our dealings of excellence, commitment, and experience.

WHY MASARAT ?

Excellence

MASARAT excels in providing integrated logistics services and selecting reliable shipping lines.

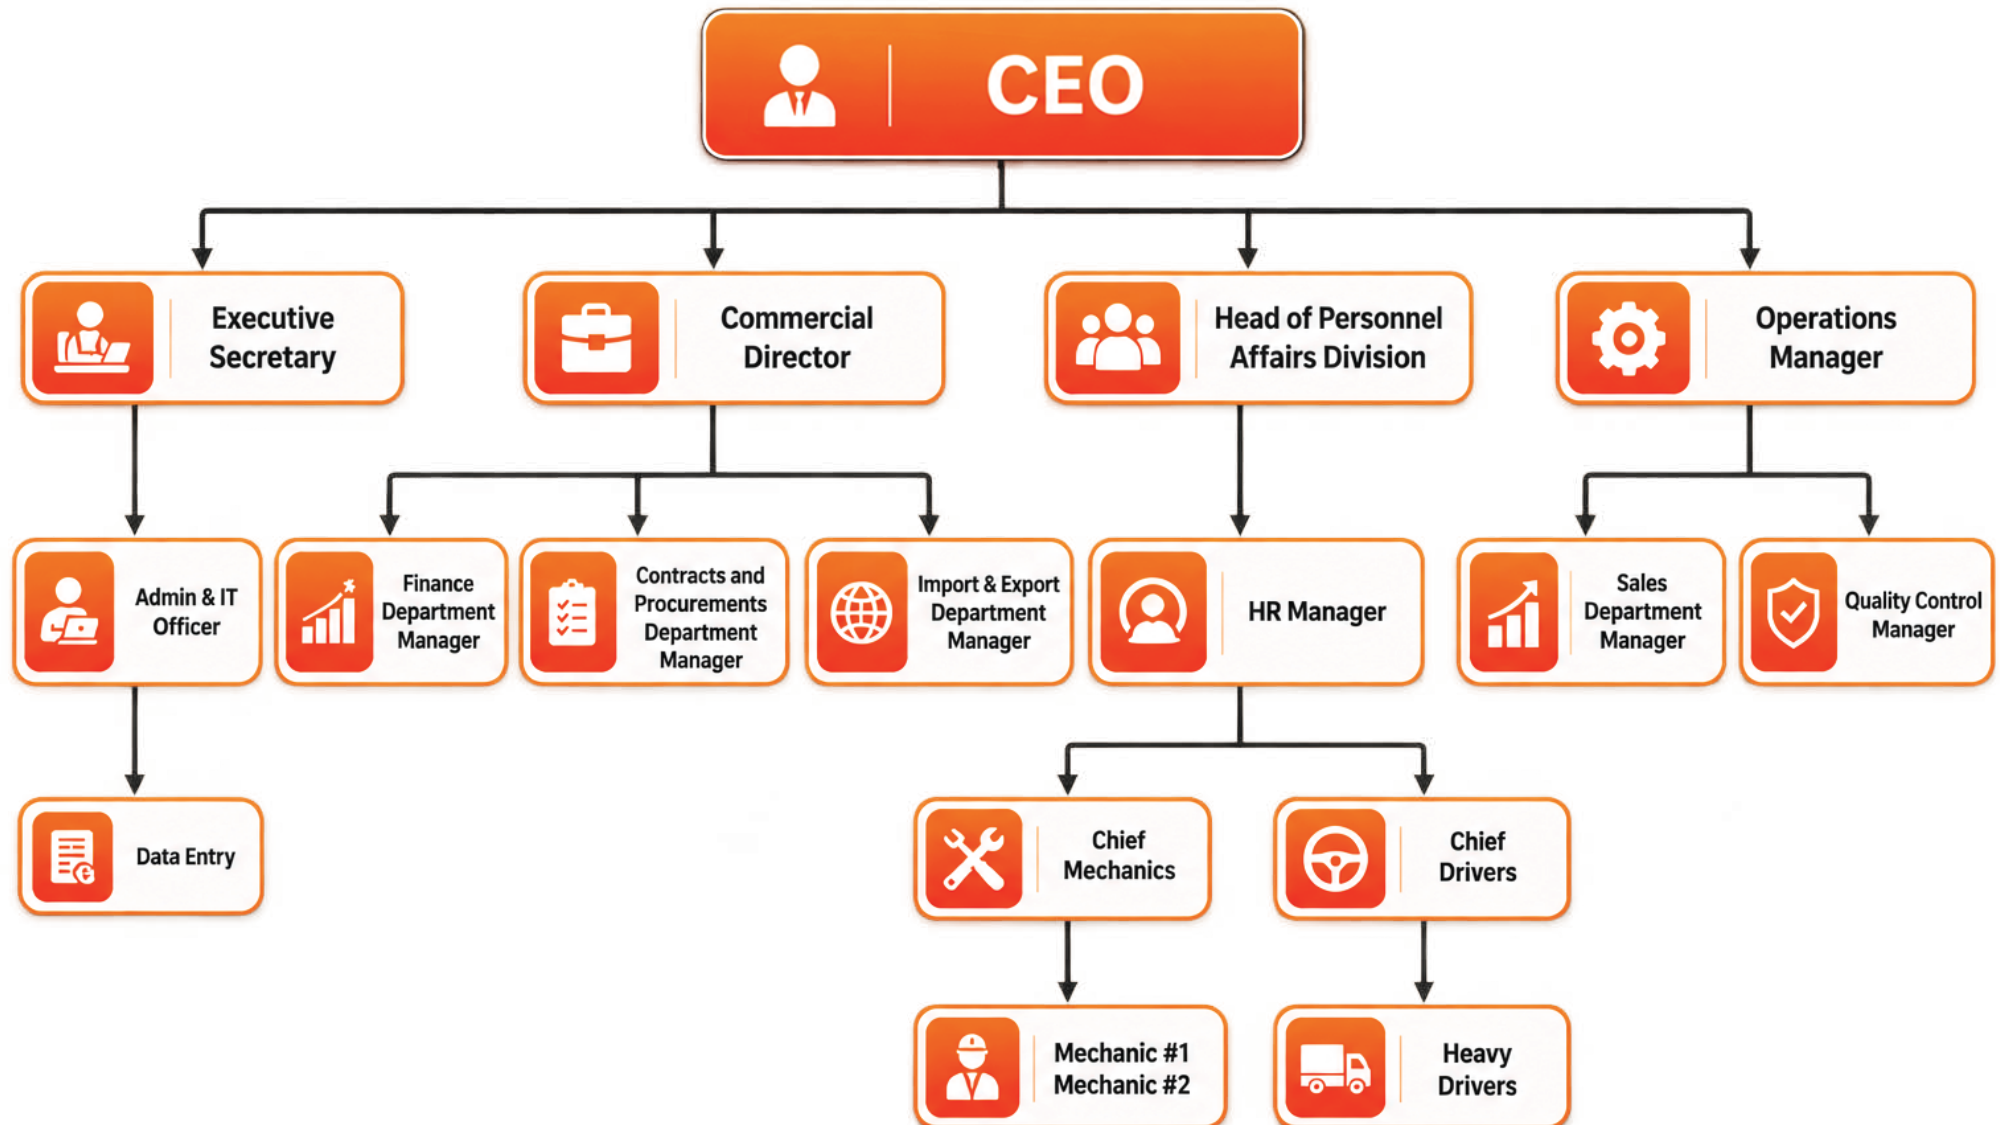

Commitment

MASARAT is committed to applying safety standards, international expedited transportation, cargo insurance, quality inspection during the processes of loading, unloading.

Experience

MASARAT possesses a fleet of large transport vehicles and has a distinguished team of trained employees to meet the expectations of our clients.
